Reason for return

Important: International orders are not cancelable and not refundable (NCNR).

To be eligible for a refund or credit, all product materials must be returned in original, resaleable condition. Shipping and Handling costs will not be refunded. Items shipped to customer double-boxed must be returned the same way. Missing product parts will be deducted from any refund or credit. The amount of the deduction will be actual replacement cost of the part(s), in addition to the restocking fee.

To be eligible for a refund or credit, the request to return merchandise sold within the United States must be received within 30 days from the invoice date. Merchandise must be received at Drew Technologies Inc within 15 days after the return authorization date or no refund or credit will be issued. Customer will have the right to request the product be shipped back to them at their expense.

Customer is responsible for shipping costs to return items for refund or exchange. Customer must include this return form with name, RMA number, address and telephone number clearly marked so Drew Technologies, Inc. can properly refund or credit customer's account. Packages received without this information will be refused and returned to the customer without refund.

Customer understands and acknowledges that this return period is the exclusive period offered by Drew Technologies, Inc. Customer understands and agrees that Drew Technologies, Inc. is not responsible for any damages arising out of or related to any goods purchased through Drew Technologies, Inc.
